Preparation for the lab

- **Time: 1. Monday morning 9am~12am   2. Tuesday afternoon 2pm~5pm   3. Thursday afternoon 2pm~5pm.**
8 groups in each time slot, and 2 students in a group.
Choose one of the three time slots on the Doodle later. First come first served!!!

- **Place: University of Zurich – Irchel Y55, Institute of Neuroinformatics (INI)**
For the first lab, we will wait for everyone in front of INI, and then guide you to the laboratory.
How to find INI: http://sensors.ini.uzh.ch/contact.html The laboratory is downstairs.

- **You need to bring: 1.Wear mask 2. COVID certificate 3. Student ID card 4. Micro USB cable 5.Your own laptop**
- **Finish experiment 1.4 (virtual machine installation on your laptop)**

- **The material for the corresponding week will be published at the end of the lecture.**

- **You should hand in the prelab, lab report and post-lab as a group on OLAT dropbox before your next lab starts.**

- **For questions regarding the labs, please contact junren@ini.uzh.ch zhesu@ini.uzh.ch**
